Dear Principal Weckesser,

At MassHire Greater Brockton Workforce Board we are excited to announce that as a Connecting Activities partner your school has been selected to award to a high school senior the Connecting Activities 2021 Scholarship. Recognizing the difficult year high school seniors have had, we are setting the award at \$2021.00 hoping this will be one of the positive moments of the year. MassHire Greater Brockton Workforce Board will be making one award at each Connecting Activities Partnership School.

As Faculty & staff know the students the best, we ask that this scholarship be offered through your traditional scholarship selection process. Our targeted student will meet the following criteria:

- **Student has been accepted into an accredited program leading to a certificate or degree**
- **Student has a minimum GPA of 2.0**
- **Student has participated in Extra Curricular activities such as, sports, clubs, community service, etc.**
- **Student has participated in some type of work experience (part-time and or full-time)**

If there is a format that is utilized to distribute information regarding scholarships, please let us know.

Upon receipt of this letter please contact me by email at dedwards@masshiregbwb.org or by phone at (508) 584-9800 Ext 30 to confirm receipt of this letter, your acceptance of the scholarship funds and your ability to implement a formal selection process.

We look forward to working with you on this exciting project.

Sincerely,

David Edwards
