

Rabbat Family Dental

Cosmetic and Family Dentistry

Rabbat Family Dental, a well-established, family dental practice is seeking a compassionate and skilled assistant to work Monday – Thursday. No evenings and Saturdays. We take great pride in providing personalized exceptional care to our patients. Our new team member must embrace this standard of care.

Responsibilities:

- Provide chair side assistance to the Dentist during dental examinations and treatment
- Charting during dental examination
- Take X-rays
- Sterilize and maintain instruments, as well as proper infection control
- Set up and break down operatories
- Assist with supply inventory and ordering

Qualifications:

- Completion of a Dental Assistant Program
- X Ray Certified

Position is available immediately.
